

# Thorex.net Announces Easy Account Set-Up

*Thorex.net is optimized to work together with Bitcoiin B2G, B2G Wallet, and Dragon Mining Technology.*

HONG KONG, CHINA, April 9, 2018 /EINPresswire.com/ -- Thorex.net ([www.thorex.net](http://www.thorex.net)) announces its easy new on-boarding process, as part of the roll-out of the new Thorex.net [asset-trading](#) platform. Focusing on [cryptocurrencies](#), Thorex.net provides easy account set-up, efficient trading and a secure link to the [Bitcoiin B2G](#) crypto ecosystem.

**Easy On-Boarding:** Under Thorex.net's new sign-up process, a trader need only go to [www.thorex.net](http://www.thorex.net), click on "Open an account," complete the form fields, hit "Submit," then activate the account. After verification, a user can fund an account with Bitcoiin B2G, cash, original bitcoin, or ETH. The process should only take a few minutes.

**Security is given;** it is not for sale. Thorex.net uses industry-standard two-factor authentication, and a case-sensitive, user-specified confidential password. That means the user gets access to a safe, anonymous, efficient trading platform, without lengthy sign-up delays.

**Efficient Trading:** Thorex.net implements instant transfers from Bitcoiin B2G, or other cryptocurrencies held in Thorex.net wallets, to fiat currencies. The list of supported fiat currencies includes US Dollars (\$), Euros (€), and UK pounds sterling (£). And Thorex.net accepts funds in B2G, BTC, and ETHs.

Thorex.net trades any and all of those cryptocurrencies for USD, EUR and GBP. In real time, instantly. For an industry-standard fee of 0.5% per transaction.

**Secure Link to Bitcoiin B2G:** Thorex.net, along with B2G Wallet, is part of the Bitcoiin B2G ecosystem. All three websites are optimized to work together. After purchasing Bitcoiin B2G on [www.bitcoiin.com](http://www.bitcoiin.com), a trader can transfer cryptocoin to B2G Wallet, then click again to fund a trader's account at Thorex.net. This gives traders a quick on-boarding process, safe, secure and efficient.

Then the trading can begin.

**A Global Solution:** Thorex.net offers global autonomy, anonymity and security, allowing investors, buyers, sellers and traders across the globe a fully-functional cryptocurrency ecosystem. Thorex.net is optimized to work together with Bitcoiin B2G, B2G Wallet, and Dragon Mining Technology.

Thorex.net offers global autonomy, anonymity and security, allowing investors, buyers, sellers and traders across the globe a fully-functional cryptocurrency ecosystem.
