

Real Estate Global Trends, Absolute Opportunity and Value Chain 2017

PUNE, MAHARASHTRA, INDIA, April 10, 2018 /EINPresswire.com/ -- Real Estate Summary

Essential resource for top-line data and analysis covering the global real estate market. Includes market size data, textual and graphical analysis of market growth trends and leading companies.

The real estate industry looks at renting and leasing residential properties. The industry is valued using the total revenues generated by landlords via the leasing and renting of private and council properties. Values are calculated using the average annual rent multiplied by the number of rented properties. Volume includes number of houses/properties rented out (vacant properties excluded). Leading companies relate to companies that are involved in residential property rental and development business. Any currency conversions used in the creation of this report have been calculated using constant annual average 2016 exchange rates.
