

Energage ranked #1 employee engagement solution in ROI for Mid-Market

Direct user feedback highlights the rapid enhancements and continued investments in Energage's CultureTech platform.

EXTON, PA, USA, April 11, 2018

/EINPresswire.com/ -- Energage has been recognized as one of the best Employee Engagement solution providers, based on its high levels of customer satisfaction and likeliness to recommend ratings from real users on G2 Crowd, the world's leading business solutions review website.

Energage's [CultureTech platform](#) achieved the #1 ranking in best estimated ROI in the High Performers category of the Mid-Market Grid® Report for employee engagement by receiving positive reviews from verified users compared to similar products in the Employee Engagement category.

"Rankings on G2 Crowd reports are based on data provided to us by real users," said Michael Fauscette, chief research officer at G2 Crowd. "We are excited to share the achievements of the products ranked on our site because they represent the voice of the user and offer terrific insights to potential buyers around the world."

Energage also distinguished itself in:

- 'Quality of Support'
- 'Ease of Use'
- 'Ease of Doing Business With'

Energage is committed to helping customers provide a best-in-class experience. That means building a product and team that scales as its customers grow and needs change.

"The recognition we are receiving today from G2 Crowd is significant." said Doug Claffey, CEO and founder of Energage, "Customer feedback through channels like G2 Crowd, our own user forums and NPS feedback help us ensure that we are meeting the most pressing needs of our target audience when it comes to solutions that truly impact culture in a positive way. Unlike other SaaS solutions we have invested in our customer success function to ensure that organizations are seeing success and a positive ROI."

Energage, LLC develops CultureTech solutions that help companies forge stronger workplace cultures and improve employee engagement.
