Jim Miller, Chairman and CEO, ImageWare®, Provides 2018 Sales Update of GoVerifyID® Biometric Authentication Technology

Additional License Sales to Existing Federal Government Customer + Addition of Four New Partner Sales Discussed "In The Boardroom" on SecuritySolutionsWatch.com

NEW YORK, NY, USA, April 12, 2018 /EINPresswire.com/ -- ImageWare Systems, Inc. (OTCQB: IWSY), a leader in mobile and cloud-based, multi-modal biometric identity management solutions, provides its first sales update for 2018. https://iwsinc.com/2018/04/10/imageware-sales-update-of-goverifyid/

Jim Miller, Chairman and CEO (https://iwsinc.com/about/executive-team/) of ImageWare, said that "We have sold additional licenses to an existing customer who is expanding the use of the IWS Biometric Engine and three of our partners have made initial sales of GoVerify ID (GVID). We continue to expect that many initial sales will often be made for enterprise/employee users and then adding users as services are rolled out to their customers.

Jim Miller, Chairman and CEO, ImageWare Systems

"Working with our partners, combined with anticipated sales from our own sales efforts, we now expect additional sales on a regular basis and look forward to the next sales update in May," concluded Miller.

> Exciting times at ImageWare! And we are honored to have Jim Miller join us "In The Boardroom" to discuss additional license sales to an existing Federal Government Customer + 4 new partner sales."
>

Federal Government Customer

• An existing Federal government customer, who has been using the patented IWS Biometric Engine for biometric authentication for more than five years, has made a $730,000 purchase of additional licenses.

Partner Sales

• An ImageWare partner has made a sale to a privately held

global corporation which has placed an initial order for enterprise GVID to serve the first 1,000 employees with plans to roll out GVID to its remaining 55,000 employees throughout the year.

• Another ImageWare partner has made a sale of its new cloud-based product with GVID built-in to two federal government agencies for use by select employees.
• Fujitsu has purchased licenses for 1,000 of its employees.
• For all four of these partner sales, ImageWare generates revenue on a per user/per month basis.

GoVerifyID

ImageWare's GoVerifyID technology provides turnkey solutions to secure enterprise systems from security infrastructure providers such as Fujitsu, Microsoft, IBM, CA, HPE and other vendors. GVID is flexible to support nearly any use case and business process for your employees, partners, and customers. GVID enables organizations and users to select the biometrics of their choice including face, voice, fingerprint, palm image, and palm vein to provide increased security and convenience. It deploys quickly either on premises, and with multiple public, private and hybrid cloud hosting options including Fujitsu Cloud Service K5® (http://www.fujitsu.com/us/solutions/cloud/k5/service/), and AWS (Amazon Web Services).

About ImageWare Systems, Inc.
ImageWare Systems, Inc. is a leading developer of mobile and cloud-based identity management solutions, providing patented biometric authentication solutions for the enterprise. The company delivers next-generation biometrics as an interactive and scalable cloud-based solution. ImageWare brings together cloud and mobile technology to offer multi-factor authentication for smartphone users, for the enterprise, and across industries.

ImageWare's products support multi-modal biometric authentication including, but not limited to, face, voice, fingerprint, iris, palm, and more. All the biometrics can be combined with or used as replacements for authentication and access control tools, including tokens, digital certificates, passwords, and PINS, to provide the ultimate level of assurance, accountability, and ease of use for corporate networks, web applications, mobile devices, and PC desktop environments.

ImageWare is headquartered in San Diego, California, with offices in Portland, Oregon, Ottawa, Ontario, and Mexico City, Mexico.
