

# Bitcoin B2G Surpasses \$50 Barrier

*Early adopters, traders and depositors have benefited substantially.*

HONG KONG, CHINA, April 14, 2018 /EINPresswire.com/ -- [Bitcoin B2G](#) ([www.bitcoiin.com](http://www.bitcoiin.com)) has crossed the \$50/coin barrier. By doing so, just 120 hours into its market-based valuation, B2G has passed another cryptocurrency, now ranking as the 15th largest market cap cryptocurrency, as reported by [www.worldcoincharts.com](http://www.worldcoincharts.com).

At the Hong Kong close on Friday, Bitcoin B2G is trading at \$52.667 per coin, says World Coin Charts.

The latest 24-hour unit volume stands at \$22,309,635. This reflects an increase of nearly \$3M over the previous 24-hour volume figure. Current circulating supply remains 50,000,000. B2G will max out at 100,000,000 coins. The current brisk trading volume reflects trading on global markets, and on Thorex.net, B2G's companion trading platform.

Early adopters, traders and depositors have benefited substantially.

Growth Curve: Acceptance of B2G is surging even faster than predicted. Bitcoin B2G, which was designed for rapid growth, has achieved acceptance not just as a store of value, but also as a [solid investment](#) opportunity. At the same time, more and more merchants and service providers worldwide accept B2G as a [global trading unit](#). The original vision of cryptocurrency as a decentralized, peer-to-peer currency has found a unique implementation, and B2G's role in the Fintech revolution appears at present to be assured.

Trading Platform Upgrade: Bitcoin B2G's payment systems continue to grow, as the system architecture proves itself over time. This can only increase. Meanwhile, B2G's trading platform, Thorex.net ([www.thorex.net](http://www.thorex.net)), continues its development. A major upgrade, including a migration to a new server array, is slated for installation over the weekend of April 14-15. Accordingly, loading times and system utilities might experience some slowness over the weekend.

A Unique Opportunity: Cryptocurrency enthusiasts, depositors and adventurers have found opportunity buying, selling and trade Bitcoin B2G. Catch the wave.

Growth Curve: Acceptance of B2G is surging even faster than predicted. Bitcoin B2G, which was designed for rapid growth, has achieved acceptance not just as a store of value, but also as a solid investment opportunity.
