Company Profiled: The Top Key Players includes in this report are Alarm Lock, Cal-Royal, Cr Laurence, Detex.

The medical alert systems market is projected to witness admirable growth due to increasing preference for emergency alert consoles, rapidly aging population, and increasing demand for medical alert systems in nursing homes and old age care facilities. However, product availability and pricing would be decisive factors shaping market growth.

The global medical alert systems market is highly fragmented, owing to participation of many established and emerging players in the market. Major players involved in the MAS market include AlertOne Services, LLC. Bay Alarm Medical, CarelineUK Monitoring Limited, Galaxy Medical Alert Systems, Ltd., Life Alert Emergency Response, Inc., LifeStation, Inc., and Koninklijke Philips N.V.
