

# Past Attendee List released in advance of 8th annual BioBanking conference

*SMi Reports: The past attendee list has just been released in advance of the 8th annual BioBanking conference, taking place this June in London, UK*

LONDON, WATERLOO, UNITED KINGDOM, April 17, 2018

/EINPresswire.com/ -- SMi's [8th annual BioBanking conference](#) will be taking place on the 13th and 14th June 2018 in London, UK. The full list of attending organisations, job titles, attendee's countries of origin and sponsors from last year's conference has just been released and is available to download on the event website.

The two-day conference will focus on [important changes in regulation](#), in particular the recent introduction of GDPR, as well as some of the most successful applications of biosamples in the market, and updates on the latest technological developments in the field.

At last year's conference, attendees visited from a wide range of countries, such as: UK, Turkey, Belgium, Faroe Islands, Ireland, USA and more, to join the long-running event and take part in panel debates, hear from high-level expert speakers and network with internationally recognised biorepositories, scientific pioneers from pharmaceutical companies and academics.

Snapshot of the Previous Year's Attending Organisations:

Ankara Yildirim Beyazit University | Auria Biobank | BioKryo GmbH | Biostor Ireland | Brooks Life Science Systems | BWB | Cambridge Blood and Stem Cell Biobank | European Commission | European Sperm Bank | Human Tissue Authority | Imperial College London | Institute of Food Research | Istanbul Medipol University | Karadeniz Technical University | King's College London | Liconic UK | LifelinesNL | London School of Hygiene & Tropical Medicine | Merck Research Laboratories | NIBSC | Nottingham University Hospital NHS Trust | Regeneron Pharmaceuticals Inc | Scientist.com | The Faroese Biobank | Thermo Fisher Scientific | UK Biocentre | UKCRC Tissue Directory & Coordination Centre | University College London | University Hospital of South Manchester | University of Nottingham| And many more

This year's event will take an in-depth look at a wide variety of broad and current interest topics

including: [the guidelines, safety and regulation of biosamples](#), biobanking in terms of translational research, the latest updates on technology and sample management, and the industrial applications of biobanking.

To download the full list of past attendees, as well as this year's full agenda and speaker line-up, visit the website at:
