

K2 Energy Solutions Inc. reports adding Arsen Khouznoutdinov to executive team as Chief Business Development Officer

HENDERSON, NV, USA, April 17, 2018

[/EINPresswire.com/](#) -- K2 Energy has expanded their executive team to include [Arsen Khouznoutdinov](#). Prior to joining K2, Arsen was a CEO of a lithium-ion battery factory in Europe and plans to leverage his expertise to help K2 meet their global expansion goals. Arsen graduated from Northeastern University with a degree in Finance and Marketing that helped him in many regional and international economic development projects. His established connections with current and former heads of state and technology corporations worldwide, will be a crucial asset in his new position as Chief Business Development Officer for K2 Energy.

“Arsen is a perfect fit for K2 Energy and the timing is precise for the company’s needs.” said Sean Campbell, President and CEO of K2 Energy. “He is going to be a key member of our team as we develop new opportunities and expand into global markets.”

Campbell finished. Arsen Khouznoutdinov said “K2 Energy has a bright future and I’m excited to be a part of it. Building, expanding, and networking with our mutual resources will take energy and devotion that I am committed to contribute.”

Arsen will begin work with K2 Energy immediately and will be able to quickly display his abilities in assisting the company by ushering in new growth and increasing European and MENA connections.

K2 Energy has a bright future and I’m excited to be a part of it. Building, expanding, and networking with our mutual resources will take energy and devotion that I am committed to contribute.”
