LOS ANGELES, CA , UNITED STATES, April 17, 2018 /EINPresswire.com/ -- [Celebrity Whistleblower Attorney™](#) Mychal Wilson Discusses "Don't Kill the Messenger!" and "Shadowing Banning" On The Whistleblower

LOS ANGELES, April 17, 2018 /EINPresswire.com/ -On tonight's episode, Mychal Wilson, Esq., will discuss the psychological issues that whistleblowers face with Donald Soeken, Ph.D., author of "Don't Kill the Messenger!"

Additionally, Mychal will peer into the tech world with James O'Keefe, author of "American Pravda" and founder of Project Veritas, and examine potential social media censorship such as the alleged "Shadow Banning" by tech giant Twitter.

"I applaud both [Dr. Donald Soeken](#) and [Mr. James O'Keefe](#) for coming onto my show to enlighten the public about potential fraud, waste and abuse at the expense of American consumers and taxpayers," says Mychal Wilson, Esq.

"The Whistleblower with Mychal Wilson, Esq." is a weekly nonpartisan political news program which airs every Tuesday live at 10:00 pm Eastern and 7:00 pm Pacific, on RADTV, Roku, Amazon Fire TV, and coming soon on Apple TV, and on demand thereafter.

Mychal Wilson, Esq. is a successful relator and Qui Tam attorney who has assisted various Federal and State agencies in the recovery of over \$580 million in American taxpayer's dollars, who recently launched his new 30 minute news series titled "The Whistleblower" with Mychal Wilson, Esq.

"In today's evolving cultural climate, I want to give the public an insider's view into the risky, secret and potentially lucrative world known as 'whistleblowing,' a show which explores and examines the courage and integrity within us, and in some cases the potentially highly lucrative rewards received by those Davids fighting those Goliaths. And, to feature and applaud those individuals who help bring about justice for others, which is sometimes at their own expense," says Mychal Wilson, Esq.

Currently, the show's streaming content features compelling whistleblower journeys such as successful whistleblower Mr. James Holzrichter, who, after overcoming retaliation and homelessness, received \$22.4 million in a \$135 million settlement against one of America's largest defense contractors Northrop Grumman, opioid (Fentanyl) and INSYS whistleblower Ms. Patricia Nixon, and Harvey Weinstein sexual harassment whistleblower Ms. Katherine Kendall.

While not offering legal advice, "The Whistleblower" with Mychal Wilson, Esq." does provide examples of legal recourse for potential whistleblowers, and for those who are being harassed, wrongfully terminated and/or retaliated against by her or his employer. "Been there, done that, as a former big pharma sales rep, so now I want to help those who may be facing similar hostile work environments," declares Mychal Wilson, Esq."

"I would like to thank American national television host, radio host, columnist and political commentator Rick Amato, producer Sutton Porter, and RADTV (including co-founder Barbara Beach) for the opportunity to create and distribute this show," says Mychal Wilson.
