Sponsor to Moldova's First Blockchain Summit is ZOZO Coin which visited Moldova in January and has outlined and met with the regional administration of Gagauzia

CHISINAU, WEST SUSSEX, MOLDOVA, April 18, 2018 /EINPresswire.com/ -- from which ZOZO Coin is exploring its role with the Digitization of 100s of Hectares of land as part of a economical development proposal for advancements in the areas for Digitization with the E-Gagauzia proposal.

May 11 will be the [3rd World Summit on Crypto-Currency](#) and the World Blockchain and Cryptocurrency Summit (WBC Summit) in Chisinau, Moldova.

More than 50 countries and nearly 100 organizations will take part in the summit. Planned to speak more than 20 speakers from Italy, Nigeria, Sweden, England, Israel, the Netherlands, India, Pakistan, Hungary and Russia. The most professional public speakers and coaches will take part, ready to share their knowledge about the world of crypto-currency and lock-up.

The conference participants will discuss topical issues of the digital economy. What influence does the cryptocurrency have, what are the prospects, how to use block technology, how to introduce the topic in educational institutions, how to invest competently, store and exchange the crypto currency, and also issues related to the implementation of blockchain into state infrastructure.

It is important to note that the event is supported by the Regional state of Gagauzia.

One of the leading speakers is Vadim Ceban, first deputy chairman of the Executive Committee of ATU Gagauzia of the Republic of Moldova.

During the event there will be 4 closed seminars, in which representatives of various parties and parliament will take part.
