National Healthcare Company "Shines
Green" For [Veterans](#)

CareRite Centers, LLC has proudly announced their nationwide partnership with Walmart's [Greenlight A Vet](#) campaign, in support of veterans and their surviving spouses. Throughout the month of April, CareRite Centers for Rehabilitation and Nursing in New York, New Jersey, Pennsylvania, Tennessee, and Florida, have served as supply locations for green light bulbs, providing those in the community and partners in care with personal green replacement bulbs to display their support of veterans.

Greenlight A Vet is a campaign supported by Walmart; the campaign's mission is to create visual support for veterans and their families across the United States. The campaign also proudly acknowledges those in active duty by providing a channel of support for both those who have served in the U.S. Armed Forces, and those currently serving the United States. Through the CareRite and Greenlight A Vet partnership, CareRite Centers has provided over 1,500 green light bulbs to communities across the network.

"As providing care and careers to veterans and their supporting spouses is a pillar of our organization, CareRite Centers is proud to partner with Walmart in an effort to raise awareness and Greenlight A Vet," shared the Executive Team of CareRite Centers.

Serving the subacute and long term care needs of patients throughout New York, New Jersey,

Pennsylvania, Florida, and Tennessee, CareRite Centers is honored to continue serving “those who have served us!” The CareRite Centers Network has served thousands of veterans and their families since the organization’s inception, and the CareRite caliber of quality care has been revered within the healthcare industry to transcend all expectations.

“Rehabilitation and Nursing at Its Best!”™
