

MAS, HSBC, J.P. Morgan, R3, Standard Chartered and IBM Join Blockchain for Finance Conference in Singapore

The Blockchain for Finance Conference, Asia Pacific will return to Singapore with the most innovative organisations sharing DLT developments from across APAC

SINGAPORE, SINGAPORE, April 22, 2018 /EINPresswire.com/ -- This June, the Blockchain for Finance Conference, Asia Pacific will return to Singapore with the most innovative organisations sharing DLT developments from across APAC. Highlights include:

- MAS will share their vision for DLT with an update on the campaigns that are at the forefront of blockchain innovation
- HSBC and CryptoBLK will look at how blockchain technology can create value for customers through trade finance applications
- Digital Asset will discuss the opportunities and risks of private blockchain deployment in post-trade
- Join panel sessions with Ripple and Kotak Mahindra Bank that outline opportunities within payments and trade finance
- Review JPX's projects around KYC/AML and the post trade processing of listed securities
- Krungsri will examine where blockchain technology sits amongst the overall fintech movement

Additional speakers from J.P. Morgan, R3, Linklaters, Manulife Asia, AIA, Standard Chartered, SWIFT, IBM, ConsenSys, Stellar and BTM Blockchain will also be sharing their insights at the regions premier blockchain conference – review the conference brochure now to see the full line-up: <https://goo.gl/LTHtcM>
