

BuffEnuff® Percussion Massage Therapy Offers Natural Alternative for Relieving Chronic Pain & Muscle Soreness

Ditch prescription medications, reduce pain, boost workout recovery, and treat sore muscles and myofascial pain naturally with the BuffEnuff® Power Massager.

CHICAGO, ILLINOIS, USA, April 19, 2018 /EINPresswire.com/ -- The [BuffEnuff® Power Massager](#) is a must-have fitness recovery tool to include in your workout routine, for speeding rehab, muscle recovery and breaking up scar tissue, as well as a natural drug-free alternative for treating chronic pain and stress.

Percussive Massagers have become the latest fitness trend these past few years and there's a reason why. From boosting pre-workout warm up to easing sore muscle pain post-workout, percussive massagers are used by top chiropractors, massage therapists, fitness professionals, and top athletes and trainers across the country, including Percussion Fitness Co-Founders, Dr. Warren Bruhl and Licensed Massage Therapist Jason Auer-Sears who both use BuffEnuff® regularly in their practices.

“

BuffEnuff® promises to be the most therapeutic, relaxing, and affordable percussive massagers you've ever experienced, reducing inflammation boosting muscle repair, and relieving pain naturally.”

A natural muscle and myofascial pain treatment method, more and more fitness enthusiasts and health professionals are turning to drug free alternatives for pain relief and the [BuffEnuff® percussive massager](#) provides the perfect combination of therapy and pain relief, offering all types of massages including sports massage, trigger point, myofascial release, deep tissue, partner massages, relaxation and more.

The BuffEnuff® Power Massager is a cordless handheld massager and vibrating fitness recovery tool manufactured by Percussion Fitness. Featuring a flat surface for expanded healing unlike any other cordless percussive massager in the fitness world, the BuffEnuff® Power Massager is a chiropractor and massage therapist approved treatment device featuring oscillating vibration therapy that has been shown to improve circulation, mobility and flexibility, while easing muscle pain without the commonly used painful knobs of other percussion massage devices on the market.

“BuffEnuff® promises to be the most therapeutic, relaxing, and affordable percussive massager you’ve ever experienced,” says chiropractor and Percussion Fitness founder, Dr. Warren Bruhl. “Its benefits go way beyond those of massage and has been shown to reduce inflammation, improve immune function, boost muscle repair, as well as relieve pain naturally.”

With the dangers of prescription painkillers on the rise and the growing epidemic of addiction, natural solutions for pain relief are more important than ever.

Providing an affordable and attainable natural solution to treating pain, the vibrating flat surface of the BuffEnuff® Power Massager relaxes sore muscles with warming [percussive massage therapy](#), loosening stiff muscles before a workout or competition as well as easing muscle cramps and soreness post game or after a crushing workout. Busting the “no pain, no gain” myth, the BuffEnuff® Power massager is a therapeutic recovery tool that is all relaxation and gain, without any pain.

"If you're looking for a natural way to ease chronic pain, muscle soreness, tight trigger points, headaches, anxiety, and/or to boost your workout fitness routine, the BuffEnuff® Power Massager may be the perfect personal massage device and fitness recovery tool for you," says Auer-Sears. "Whether you are a fitness enthusiast or an everyday user looking to treat pain and relax, BuffEnuff's therapeutic action and warming vibration provides ultimate healing and relaxation and is also a great tool for clinical practitioners to use to enhance therapies."

About the BuffEnuff® Power Massager
Cordless with easy grip handles, BuffEnuff® is easy to use, both for self-care and for partner massage, and can be taken to the gym, to work, in your suitcase on vacation, wherever you are, providing healing percussive massage anywhere, anytime you need it. It's also one of the most affordable percussive massagers on the market retailing online for \$189.95 at PercussionFitness.com.

CrossFit Professional & Percussion Fitness Co-Owner Jimmy Greninger is a believer: "I had a rough last year completely tearing my Achilles. I used my BuffEnuff massager several times a day during my recovery. It minimized atrophy, gave incredible pain relief, created better blood flow so I didn't have to worry about blood clots, and the best thing is, I could use it on myself! According to my PT Specialist and my Orthopedic Surgeon, the use of the BuffEnuff put my recovery WAY ahead of schedule!
