Arlington Heights based home remodeling company Erdmann Exteriors & Construction has been recognized for outstanding customer service by Houzz and GuildQuality.

ARLINGTON HEIGHTS, IL, UNITED STATES, April 19, 2018 /EINPresswire.com/ -- [Erdmann Exteriors & Construction](#), a home remodeling company that services the greater Chicagoland area, is proud to announce that they have earned the 2018 Houzz Best of Service award as well as the Guildmaster Award from Guild Quality for demonstrating exceptional customer service within the residential [remodeling contractor](#) industry.

“It’s exciting to receive these particular awards, as we continually strive to provide the highest quality of service on every job we do” explained [Kyle Erdmann](#), Vice President, Erdmann Exteriors & Construction (www.erdmannexteriors.com).

The Best of Houzz Service Award is determined by the number of 5-star reviews a company receives. This is the third year in a row Erdmann Exteriors has been recognized. Houzz is a leading platform for home remodeling and design, providing home owners with the ideas and inspiration they need to update their residence.

The Guildmaster award from GuildQuality is given to members that consistently deliver superior customer care based on the survey responses submitted by customers. GuildQuality surveys all of Erdmann Exteriors customers shortly after the completion of their project. The two primary metrics considered from the survey were: the percentage of customers stating they would recommend the business to a friend, and the percentage of customers who responded. Erdmann achieved a recommendation rate of over 90% from their customers.

“At the end of the day, our service and work is only as good as the homeowner’s opinion of it. We are thankful they enjoy the process and final product as much as we enjoy working with them,” said Kyle Erdmann.
