

Newmarkt Corp Completes Transaction with Ozop Surgical, Inc.

Ozop now part of Public Company

WEST PALM BEACH, FLORIDA, USA, April 19, 2018 /EINPresswire.com/ -- Newmarkt Corp (OTCPK: NWKT) announced today that it successfully completed a reverse merger on April 13, 2018, with [Ozop Surgical](#) Inc. ("OZOP"). Newmarkt acquired 100% of the common stock of OZOP, and pursuant to the terms of the Share Exchange Agreement (the "Agreement"), OZOP became a wholly owned subsidiary of Newmarkt. Additionally, as part of the Agreement, the former sole officer and director of Newmarkt resigned and the Ozop directors and officers now comprise Newmarkt's management and board. Newmarkt's common stock is currently quoted on the OTC Market under the symbol "NWKT". In the very near future, Newmarkt will seek to change its name and symbol to reflect the business of OZOP.

OZOP controls an intellectual property portfolio of innovative products and technologies that it is beginning to successfully commercialize. In the pipeline products include visualization tools for Minimally Invasive Surgery (MIS) such as light filtration that presents a better anatomical understanding for surgeons in real time, and 3D technology which heralds improved depth perception, better appreciation of anatomic details, and improved overall surgical performance. Also, in development is a revolutionary and first truly MIS orthopedic interbody device and procedure. Mr. Michael Chermak, CEO of Newmarkt and OZOP was quoted as saying, "Being public allows us to access the public equities market for fund raising and to create a currency for accretive acquisitions and strategic partnerships".
