

# Last chance to register for the 8th annual MilSatCom Asia Pacific Conference

*SMi Group Reports: With three weeks to go, it's the last chance to register for the 8th annual MilSatCom Asia Pacific conference*

LONDON, UNITED KINGDOM, April 20, 2018 /EINPresswire.com/ -- This year's [MilSatCom Asia Pacific conference](#) will be taking place in less than three weeks on 14th and 15th May 2018 in Singapore, featuring a diverse agenda of 15 case study driven presentations from leading Asia Pacific nations, as well as the vital perspectives of strategic partners such as the USA and Canada.

The two-day event will provide critical programme updates and will explore the increasing investment in Space and SatCom assets throughout the Asia Pacific region. The conference will focus on protected and tactical requirements facing the region, how capability gaps are cost-effectively being fulfilled through COTS procurement strategies and international cooperation, the utilisation of SatCom assets for civilian purposes in the region such as humanitarian and disaster response, and much more.

MilSatCom Asia Pacific will bring together [SatCom and communications experts](#), as well as leading solution providers. The audience will include, but not be limited to:

- Directors of J6
- Heads of Space Branch
- MilSatCom Programme Managers
- Heads of C4ISR
- Directors of Network Services
- Heads of Space Policy
- Researcher
- and much more ....

[PDFs available for download on the event website include:](#)

- 2017 Past Attendee List, which includes: last year's attending organisations, job titles, sponsors and

The poster features a satellite in orbit against a dark blue space background. The text is arranged as follows: 'MilSatCom' in white, 'Asia-Pacific' in light blue, '14th - 15th' in white, 'MAY' in white, '2018' in red, and 'Singapore' in white. At the bottom, there is a dark grey bar containing the website 'www.milsatcomasia.com' in white, the SMi logo (a stylized arrow pointing right) in white, and 'APAC 2018' in white below the bar.
