Lockdowel snap-in fastening makes assembly simple.

“These kits take all the guess work out of converting to Lockdowel fastening,” Lockdowel President

Bryan Koelling says. "Our customers tell us that Lockdowel's strong, snap-in fastening allows cabinets and furniture to assemble many times faster than their previous fastening methods, such as using screws and staples. Now we can show companies unfamiliar with our [assembly](#) method how easy it is to achieve these same results."
