

Hundreds of Food Industry Professionals to Break All-time TGCon Attendance Records

Food industry professionals will descend on Chicago, IL, May 2-3 to attend TraceGains user conference, TGCon 2018.

WESTMINSTER, CO, UNITED STATES, April 23, 2018 /EINPresswire.com/ -- TraceGains, the leading compliance software solution, revolutionizing information exchange across the supply chain for Food, Beverage, and CPG companies, is hosting its fifth annual user conference, TGCon, May 2-3 in Chicago.

With hundreds of attendees representing more than 125 companies, traveling from as far as Turkey and Spain, TGCon 2018 is shattering attendance records. Food and beverage industry professionals of all levels, from the C-suite to the production floor, will gather for product training, roundtable discussions, industry networking, and more.

TraceGains is on a mission to promote transparency, collaboration, and quality in the food system. TGCon is a critical part of this mission, empowering companies across the supply chain with in-depth training led by TraceGains staff and industry leaders.

Representatives from more than 15 of the Top 100 food and beverage companies are slated to attend, including, B&G Foods, Agropur Cooperative, Hearthside Food Solutions, Golden State Foods, OSI Group, John B. Sanfilippo & Son, Inc., and more.

Additionally, five of the panels will feature users from Top 100 companies including, Pinnacle Foods, Bimbo, and TreeHouse Foods.
