

Scrap Metal Recycling Business Norfolk Recycling Ltd Have New Premises and Website

Scrap metal recycling company, and aggregate supplier have recently moved premises to a new central Norfolk facility, alongside unveiling their new website.

NORWICH, NORFOLK, UNITED KINGDOM , April 23, 2018 /EINPresswire.com/ -- [Norfolk Recycling Ltd](#), a fully licensed [scrap metal recycling Norfolk](#) based company, have recently launched their new website. This comes alongside the new premises they have recently taken over on Greens Road Industrial Estate, Dereham.

The new facility in the centre of Norfolk has a licensed tip, where building waste materials can be disposed of. The facility is licensed to accept all kinds of waste, such as rubble, inert soils and metals. Norfolk Recycling also offer a wide range of high-quality aggregates that are available to purchase by the tonne or bag.

In compliance with the 2012 Scrap Metal dealers act, the business holds a license to trade in scrap metal at their Environmental Agency approved site. Recycling scrap metals prevents metal waste from going into landfill, and prevents the destruction of the environment from mining new ore.

Not only does Norfolk Recycling prevent metal waste from being disposed of incorrectly, they also pay for scrap metal. If you have scrap metal that you no longer require, they will take it off your hands, and pay you fairly for it.

With fully calibrated weighbridges, and smaller scales, your unwanted metal can be accurately weighed and recorded. Then, the experts at Norfolk Recycling will promptly pay you the market value for your unwanted scrap metal, depending on weight. If you're looking to clear building materials, they pledge to buy it, scrap it, or recycle it.

Norfolk Recycling Ltd are a licensed scrap metal recycling facility and aggregate supplier based in Dereham, Norfolk. A licensed trader in all scrap metals, Norfolk Recycling has been set up as a fully licensed facility to accept builders rubble, inert soils & all metals for recycling. Norfolk Recycling Ltd, have been in the recycling business for many years. If you're looking to clear building materials or sell scrap metal, get in touch.
