

Lt. General Russel L Honore (Ret.) is key note speaker for the Active Risk Manager Global Conference in Washington DC

HERNDON, VA, USA, April 23, 2018 /EINPresswire.com/ -- [Sword Active Risk](#), a supplier of specialist risk management software and services, has announced that Lt General Russel Honore, best known as the commander of Joint Task Force Katrina, is to be a keynote speaker at the 2018 ARM Global Conference. The first leg of this international series, the Conference takes place September 19 – 20, at the Hyatt Hotel, Reston. The ARM Global Conference program continues in London, at the Dorchester Hotel on October 8, and concludes in Sydney, Australia on 1 November.

“

The ARM Global Conference series is now a highlight on the Risk calendar, providing the ideal opportunity for delegates to network, share experiences and learn from our ARM experts and industry peers.”

*Keith Ricketts, Vice President
of Global Marketing, Sword
Active Risk*

An eminent authority on Global Preparedness, Lt. General Honore become known as the ‘Category 5 General’ for his striking leadership style and effectiveness in mobilizing troops and relief efforts during the aftermath of Hurricane Katrina on the New Orleans area. He helps organizations develop a culture of preparedness and problem solving with strategies for transforming individuals into take-charge leaders. Drawing on his experience of managing conflicts both manmade and natural, he inspires audiences across business, management, government, military and education. His third book, Don’t get stuck on Stupid, discusses the business environment where changes and unpredictability are constant, and personal resilience is a requirement to succeed.

Keith Ricketts, Vice President of Global Marketing at Sword Active Risk commented; “We are excited that Lt. General Russel Honore is to join our compelling line-up as a keynote speaker. The [ARM Global Conference series](#) is now a firm highlight on the Risk calendar, and provides the ideal opportunity for our delegates to network, share experiences and learn from our ARM experts and industry peers.”
