

Best Bible App for 2018

Scourby You Bible App, No 1 Bible App ranking for 2018..."the value of this App is worth more than cost of the device. It's truly priceless." Theology Degrees

LOS ANGELES, CA, US, April 26, 2018 /EINPresswire.com/ -- Today there's hundreds of Bible Apps on the market using over 100 different English Bibles. The King James Bible is still regarded as the most accurate and is the one preferred by over 50% of Bible Readers. However, the Bible is now an App, so we wanted to know what Bible App users think is the best Bible App in 2018?

In looking at the Bible App market in the US, we found the YouVersion Bible app is owned by Life Church. Another App that quickly came to our attention was the [Scourby You Bible App](#) narrated by Alexander Scourby. We saw the You Bible App was ranked No. 1 by Theology Degrees, American Bible Society News, 700 Club News and Bible Gateway News.

Chicago wrote that Alexander Scourby has the greatest voice ever recorded and it the best audio book narrator, bar none.

According to Wikipedia, "In January 1996, Life Church, a non-profit, was founded in Oklahoma City with 40 congregants meeting together in a two-car garage, equipped with a borrowed overhead projector and two construction lights purchased at Lowe's for \$19.99."

“

For those who take advantage of this Bible App, your likely to find the value of this App is worth more that the cost of the device. It's truly priceless.”

Life Church developed a “free” Bible app in 2008 and has been aggressively marketing it on the internet. They have offered up hundreds of millions of “free” downloads on their website and have received tens of millions in donations from App users. The more downloads the more donations. To the user it's a tax-deduction and to the Church a non-taxable event. It's a perfectly legal scheme according to the IRS as long as the Church doesn't “SELL” their Bible App.

The Scourby You Bible App was developed in 2007 and is owned by Litchfield Associates. They sell their app for \$19.99. Scourby.com was created in August of 1997 and YouVersion.com was created in October of 2006. Alexander Scourby was the very first to record the Bible in the 1950's and the [Chicago Tribune wrote](#): “Alexander Scourby has the greatest voice ever recorded and is the best audio book narrator bar none.”

It appears that since 2006, Life Church has turned a \$20.00 investment from Lowes, into a multi-million-dollar religious empire by giving away free Bible app downloads. Just on the surface, it seems a non-profit has an unfair advantage over a for-profit, since non-profits pay no taxes on the donations for a “free” Bible app, while a for-profits pay taxes on their Bible App sales.

Now back to the battle of the Bible Apps. Just from our own empirical comparisons between the YouVersion App audio and the You Bible App audio, there’s no doubt that Alexander Scourby is hands down, the best Bible narrator. We totally concur with the Chicago Tribune statement that he has the Greatest voice ever recorded. But, we wanted to know what Bible app users, who have both Bible Apps on their phone, thought was the best Bible app for 2018. We were able to poll approximately 500 Bible App users who had used both the YouBible App and YouVersion app on their device. Eighty-three percent (83%) said that YouBible App was the better app.

We also searched out testimonials posted by Bible App users on the Internet and Playstores and we will let “four” speak for themselves.

NOT 5 STARS! 100 billion stars instead!!!! by GOOO!!! on 2016/12/31 01:00: “I discovered Alexander Scourby’s, from a bible study session online a few weeks ago and practically lost my mind

by his captivating VOICE!!. You would've honestly think this is what God's voice must sound like, but just louder LOL. Thank God Scourby was the one that narrated this infallible book, the 1611 King James Bible. The way he effortlessly reads the scriptures without error is inexplicable to my understanding. Purely fascinating! More interestingly, he even gives beautiful images in your mind as if you're seeing all God's work happening right before your very eyes. You're literally a kid all over again being read an interesting book with such enthusiasm by your teacher in elementary school or your parents. You get so drawn in that you can't help but wanting to hear more. Your being read the most powerful book of all time with such grace & ease. More importantly, Scourby helps you understand the Bible much clearer through his unique manner & touches with his modulating voice that none can replicate. That's very important when reading such a difficult book as the Bible, especially for beginners. So It's really fun to hear and enjoy. Highly recommended! The greatest voice reading the greatest book, what a beautiful, powerful and impactful combination. THANK YOU, THANK YOU, THANK YOU, SO MUCH!!!! AWESOME AWESOME AWESOME JOB. KEEP IT UP!
