AppFutura

AppFutura is a lead-generation platform that works in two main ways. First of all, as a worldwide listing, providing high exposure to app development companies that results in clicks to their websites and direct contacts. At the same time, it works as a project dashboard where businesses can publish

their app development needs, receive development proposals from companies around the world, and, eventually, hire their favorite through a safe Escrow system. For those in need of more thorough

support, the AppFutura team will help you select the best candidate for your needs and will also assist you during the whole development process.

App developers are welcome to join the AppFutura community and become listed in the directory of [top mobile app developers](#).
