

CheckMate Sharable STD App Brings Online "Dick Pic" Sharing Trend Into Mainstream to Help Teach Need For STD Testing

CheckMate Healthcare Pitches Top VC's at HLTH Expo Vegas 2018 With New App Features to Help the Health of Millions of Americans

BOCA RATON, FL, USA, April 26, 2018 /EINPresswire.com/ -- Boca Raton, FL April 22nd, 2018 -- With STD's at an all time high, and the trend of sexting, the rise of STD's creates a true public health threat. CheckMate Healthcare's digital health app provides a mobile option to drive more STD testing. CheckMate not only makes safe sex easier, it creates a cultural shift to start the sexual health conversation. Just like the trend of "dick pics" the trend in using e-health apps for healthcare is growing. CheckMate is at the forefront of this trend and has been chosen to pitch to top VCs May 6-9, at HLTH Expo 2018 on the app's features and the conversation of disruptive information in healthcare. CheckMate is taking appointments for on site visits now.

“

We want people to start saying do you use CheckMate? The same as when people say, “Let’s take an Uber”. We want to make the conversation between people easier regarding their sexual health”

Chelsea Siefers

”We want people to start saying do you use CheckMate? The same as when people say, “Let’s take an Uber”. We want to make the conversation between people easier regarding their sexual health” says CheckMate’s Director of New Business, Chelsea Siefers.

CheckMate’s fast, easy, convenient and sharable STD test result app is already being downloaded as a go for digitally driven health initiatives.

Ready to meet the perfect mate? Swiping right? Then it's time to use the new mobile STD app from CheckMate, free in the iPhone and Google App Stores. CheckMate offers the ideal partnership between a social and medical app. CheckMate is the market's top shareable app with at home self check kits and pre-paid testing at thousands of lab locations. It provides comprehensive tests for all genders, including PrEP testing (pre-exposure prophylaxis for high risk HIV exposure) from the privacy of your home.

Want to share your STD- free status? CheckMate developed its Gold Pass to make it easy, confidential and convenient to share your latest STD test results with your mate or potential new mates. Just forward your “Gold Pass” clean bill of health with your name, nickname, or anonymously. After viewing the results are gone, just like snapchat.

CheckMate’s founder, marketing director and healthcare experts, are available for interviews in our booking calendar, and will be available for appointments in person at HLTH Expo in Vegas. We are scheduling now, and can provide more information as needed. You can find your CheckMate full press kit, trending ads, bios, and booking calendar are available online here. [Just click.](#)
