

PosBossIT, a Certified Moodle Partner in East Asia, Announces Partnership with IntelliBoard

Educational institutions and companies utilizing the Moodle LMS in East Asia can now access the IntelliBoard reporting service thanks to PosBossIT.

MONROE, CT, UNITED STATES, May 3, 2018 /EINPresswire.com/ -- PosBoss, a Certified Moodle LMS Partner serving East Asia, has recently partnered with IntelliBoard, the premier reporting and analytics provider for the Moodle™ LMS and Moodle Premium Integrator.

PosBoss clients in China and Taiwan now have access to expanded reporting and analytics capabilities provided by IntelliBoard for their Moodle LMS environments. PosBoss has translated the IntelliBoard platform into both simplified and traditional Chinese. Businesses, educational institutions and other LMS training implementations can validate eLearning efforts through user-friendly, on-demand, real-time insight to inform educational business decisions improving workflows.

Dr Alex Chiou, CEO of PosBoss, commented that the corporation's achievement in localizing IntelliBoard reporting system into Chinese version and being an IntelliBoard Partner in Taiwan will further assist the delivery of best practices on Moodle technology. "PosBoss aims to become one of the most cost-effective, innovative and successful Moodle services providers after now being an IntelliBoard partner," said Dr Chiou. He continued, "The ability to easily and flexibly use a reporting system for Moodle services is a key success factor for promoting Moodle services to our customers. We look forward to working more closely with IntelliBoard to further our involvement in the Moodle projects while expanding our technology in Taiwan and globally."

Anatoliy Kochnev, IntelliBoard's CEO stated, "IntelliBoard has long anticipated expansion into East Asia, and we could not be happier than to do it with PosBoss, a certified Moodle Partner. PosBoss has been incredibly responsive as they have translated the platform into both traditional and simplified Chinese. The goal of IntelliBoard is to improve learning worldwide. Data that provides tangible results creates better learning, better learners, and ultimately, better educated people."
