

# WIDE Services Expands Reporting and Analytics Offerings Through IntelliBoard Partnership

*WIDE Services, a Certified Moodle Partner in Greece and Cyprus, has partnered with IntelliBoard to provide expanded reporting and analytics services.*

MONROE, CT, UNITED STATES, May 8, 2018 /EINPresswire.com/ -- Businesses, educational institutions and training companies utilizing the Moodle LMS in Greece and Cyprus can now access IntelliBoard, the premier reporting and analytics provider for the Moodle™ LMS and Moodle Premium Integrator, via WIDE Services, a certified Moodle Partner in Greece and Cyprus.

Users of the Moodle LMS now have access to expanded reporting and analytics capabilities provided by IntelliBoard to inform their educational business decision-making. WIDE Services is also translating the IntelliBoard platform into Greek, and will provide support services for IntelliBoard in the Greek language. Users fluent in English can utilize the IntelliBoard support portal and chat functions also - providing extended services and support. The launch of IntelliBoard 5.0 brings expanded reporting functionality, personalization, dashboard templates, conditional notifications and an AI assisted search function - available to the Greek LMS market through WIDE Services. Expanded features allow LMS users to validate eLearning efforts through user-friendly, on-demand, real-time insight and improve workflows.

“

WIDE Services has solved our challenge of providing support and services to Greece and Cyprus with savvy, knowledgeable, and experienced people who understand the Moodle LMS and eLearning.”

*Dr. Tonya Riney, VP, Client Services, IntelliBoard*

“We’ve had considerable interest from the Greek market for

the last 18 months, with no easy way to provide assistance or support. WIDE Services solves this challenge with savvy, knowledgeable, and experienced people who understand the Moodle LMS and eLearning,” shared Dr. Tonya Riney, VP of Client Services at IntelliBoard. She continued, “the folks at WIDE Services could not be better, kinder, or more fun to work with.”

Yiannis Arapoglou, CEO of WIDE Services stated, “Our partnership with IntelliBoard is a great opportunity for us and our customers to have high quality reporting and analytics services, through a very friendly and interesting platform. WIDE Services will provide the translation of the Greek language, strengthening and facilitating the need of customers in Greece and Cyprus in the

eLearning market."

#### About IntelliBoard

IntelliBoard.net offers analytic and reporting services to education communities and institutions who use the Moodle™ \_LMS. IntelliBoard extracts the statistical data collected in Moodle™ \_and presents this rich data on a single dashboard in the form of easy-to-read, aesthetic, and printable charts, graphs, and formatted reports. We strive to be the premier analytics dashboard for Moodle™ \_LMS users. Feel the strength of empowered learning with our purposefully built analytics for education and training. Our mantra: provide the best instantly-available, most-simplified point-and-click access to your Moodle™ \_LMS data to inform your educational \_business decisions.
