

Most Trusted Cloud Solution Provider: ITsavvy Receives 2nd Major Cloud Solutions Award

ITsavvy was just recognized with an Insights Success cloud solutions award as one of the "20 Most Trusted Cloud Solution Providers".

ADDISON, ILLINOIS, UNITED STATES, April 27, 2018 /EINPresswire.com/ -- ITsavvy, one of the fastest growing cloud computing solution providers in the U.S., was just recognized with an Insights Success [cloud solutions award](#) for the second year; this year's award was as one of the "20 Most Trusted Cloud Solution Providers."

The publication's editor writes, "ITsavvy is on its way to finding a spot at the top with a vision that is thorough and extremely effective."

ITsavvy President and CEO Mike Theriault said, "Because of our dedication to innovation and the fact that we have resources to continually accomplish it, ITsavvy has a strong position in the marketplace that translates into a competitive advantage for our clients. This is true across all aspects of our business, including cloud solutions."

The company has elite engineering capabilities in the areas of cloud, security and IT lifecycle management; with a configuration lab, and a U.S.-based network operations center and help desk.

For cloud implementation, ITsavvy takes a careful approach to ensure the transition is seamless and efficient. The company offers an entire range of cloud computing solutions including on-premise, colocation, public, private and hybrid. ITsavvy also builds and supports its own cloud infrastructure in its Tier-3 Illinois and New Jersey data centers.

The company takes a holistic view of each client's organization; from applications and infrastructure, to backup and disaster recovery, to user productivity and client engagement.
