

Intermedia Touch displays their award-winning solutions at eMerge Americas 2018 tech conference.

MIAMI, FL, UNITED STATES, May 1, 2018 /EINPresswire.com/ -- It has been another successful eMerge Americas, and we wanted to say thanks again for stopping by our booth to meet the team and learn more about our interactive solutions! It is the mission of Intermedia Touch to provide our customers with high quality, cutting-edge digital signage solutions. Our goal is to create unique experiences by making use of the latest interactive technology available in the digital signage industry.

Intermedia Touch, Inc. has created award-winning software applications and used the latest hardware equipment to offer our clients a complete custom solution that will enhance the experience of the user.

As Diamond Sponsors of the eMerge conference, Intermedia Touch provided state-of-the-art interactive kiosks with a custom digital interactive wayfinding solution to guide guests around the conference. Also included information about speakers, sponsors, and a schedule of the event.

About Intermedia Touch:

Intermedia Touch, Inc. is a leader in interactive technology and custom application solutions for a broad range of corporate clients. Offering unmatched service and extensive experience as a technology integrator, our goal is to create unique experiences by making use of the latest interactive technology and applications available in the digital signage industry.

Intermedia Touch, Inc. offers powerful custom software solutions as well as a diverse array of interactive hardware options that include interactive touch screen monitors, interactive infrared surfaces, interactive video walls, interactive holographic glass, indoor/outdoor kiosks, as well as LED signs. With more than 15 years of experience in the information technology and audiovisual fields, the team at Intermedia Touch, Inc. strives to tailor custom interactive solutions that will create the highest visual impact and relevance for your specific target audience.
