

Defendant Enterprise Holdings' Counsel Makes Appearance in Lee Court as Sheriffs in FL and MO Serve Subpoena and Summons

National Car Rental victim and FICO Prof David Howe welcomes tortfeasor's counsel as official court orders process with law enforcement in Fort Myers & St Louis

FORT MYERS , FLORIDA, UNITED STATES OF AMERICA, May 1, 2018 /EINPresswire.com/ -- [SubscriberWise](#), the nation's largest issuing CRA for the communications industry and the leading protector of children victimized by identity fraud, announced today the 'Notice of Appearance' by Tortfeasor and Defendant Enterprise Holdings, Inc. and its counsel of record from the law firm of Rissman, Barrett, Hurt, Donahue, McLain & Mangan, P.A., in the Circuit/County Court of the Twentieth Judicial Circuit in and for Lee County, Florida.

The appearance follows a voluntary [dismissal without prejudice](#) from the United States District Court for the Florida Middle District, Fort Myers, FL (Case 2:18CV218):

According to the nationwide issuing CRA and company founder [David Howe](#), the dismissal is a direct indictment on federal lawmakers – Senate and House Democrats and Republicans – who have effectively engaged in obstruction of constitutionally guaranteed due process by denying victims their day in adequate courts of jurisdiction through predatory and one-sided 'forced arbitration' clauses.

"I look forward to meeting with the Tortfeasor's counsel," said David Howe, National Car Rental crime victim. "I'm hopeful the enormous amount of time and money that I've invested over the past 18 months pursuing justice will result in positive and desperately needed changes for the car rental industry. To be sure, I have a mountain of evidence including admissions obtained from the official Lee Port Authority police report, National Car Rental management whistleblower findings that exposed 'behind the scenes' shocking evidence at several of Enterprise Holdings office locations in

and around the state of Florida, recorded audio, and photographic evidence that I'm eager to proclaim to tortfeasor's counsel and the court.

"My goal is straightforward and specific," continued Howe. "It's to give a voice to the voiceless. It's to advocate for a cousin in Hagerstown, Maryland, who was recently impacted by a very similar 'ding and dent' incident. It's to alert lawmakers about the outrageous abuses imparted with impunity on citizens and visitors alike.
