“

I am seeing sales growth going off the chart for Modular Guard Booths, Parking Booths, Ballistic Rated Booths, Bus Shelters, Gas Station/Taxi booths, Smoking Shelters & Security Check Point Booths”

Michael Rosenberg

Standard or Custom Design Cost Effective [Modular](#) Security Booths and Shelters Meeting the Security Focused Needs of Today's Society

For 27 years, M.R. SECURE SALES LLC, has represented the leading Guard/Security/Toll Booth manufacturers. “In this current at risk security environment, I am seeing sales growth going off the chart for Modular Guard Booths, Parking Booths, Ballistic Rated Booths, Bus Shelters, Gas Station Booths, Taxi Booths, Smoking Shelters and Security Check Point Booths”

Call or email, for additional information on standard or custom design modular booths and shelters.

Light weight modular booths require less space than thick wall CMU or precast concrete construction. This results in a smaller geometric site foot print and lighter foundation requirements. Site work is performed by local trades while simultaneously, booths are being custom manufactured. Setting of booths is quickly accomplished using fork lifts. Local trades are utilized for utility hookups. The use of modular booths can dramatically reduce completion time. Factory built booths reduce site traffic and greatly reduce safety and security issues associated with conventional construction.

M.R. Secure Sales LLC also represents leaders in Modular Steel Jail and Prison Cells and Police Holding Cells, Offsite Sustainable Construction of Steel and Concrete Multi-Story Modular Schools, Dorms, Condos, Town Houses, Senior Housing, Hotels, Retail Stores, Emergency Care Facilities,

Equipment/Telecommunication Shelters,
and Miscellaneous Metal Fabrication.
