

PLM Expands into Las Vegas and Springdale

PLM recently opened two additional locations to better serve the needs of its customers. The two locations include Las Vegas, NV and Springdale, AR.

NEWARK, NJ, USA, May 4, 2018
/EINPresswire.com/ -- FOR IMMEDIATE RELEASE PLM, a leader in technology-driven fleet management solutions for refrigerated trailers, is pleased to announce the launch of 2 new branch locations to better serve its customers throughout the U.S.

PLM's move into the Las Vegas and North-West Arkansas markets allow us to fulfill customers' cold supply chain demands in growing markets, while expanding our geographic footprint and growing our service delivery platform. Focused solely on the refrigerated trailer, customers now have access to the largest selection of equipment, ranging in lengths from 28 to 53 feet, with single-temperature, multiple-temperature, electric-standby or electric-only options.

"PLM is on the forefront of offering fleet management solutions to help customers maximize their fleet," Jerry Keane, Vice President of Rental commented. "By adding these additional locations, PLM can expand its reach to service customer needs in Arkansas, along the I-40 Interstate as well as meeting the needs of Las Vegas' expanding convention requirements."

Springdale Location

The Northwest-Arkansas market is one of the fastest growing markets in the US and home to 3 Fortune 500 companies, with many other Fortune 500 companies having satellite offices in the region. PLM's location can be found close to the routes 49 and 412 intersection, right off interstate 40.
