

Active Risk Manager wins Risk Product of the Year at StrategicRisk Awards

MELBOURNE, AUSTRALIA, May 9, 2018 /EINPresswire.com/ -- [Sword Active Risk](#), a supplier of specialist risk management software and services, has announced that Active Risk Manager (ARM) has won Risk Product of the Year at this year's StrategicRISK Asia-Pacific Management Awards. The awards were presented at the

industry's prestigious event held at the Grand Hyatt Singapore, following the annual Risk Forum APAC 2018, co-hosted by StrategicRISK and PARIMA. The finalists and winners were decided by StrategicRisk's independent panel of expert judges from the risk industry.

“

Using a solution like Active Risk Manager is enabling risk management to evolve from being project focused to become a tool that supports individuals and companies make better business decisions ”

*Keith Ricketts, Vice President
of Marketing, Sword Active
Risk*

The category Risk Product of the Year recognises solutions for their ability to empower companies in their Enterprise Risk Management (ERM) efforts, with an improved management information system.

David Harvey, Director, APAC, Sword Active Risk, picked up the award and said: “We were very pleased to be nominated for a start and to win is amazing. We’re always putting the work in and trying to do the best that we can. It’s a competitive market and we’re always trying to innovate.”

Keith Ricketts, Vice President of Marketing at Sword Active Risk commented; “StrategicRISK’s prestigious awards are recognising the strategic importance of risk management in organisations. Using a solution like Active Risk Manager is

enabling the discipline of risk management to evolve from being just operationally or project focused to become a tool that supports individuals and companies make better business decisions across the enterprise.”
