WiseGuyReports.com Presents “Retail Adult Incontinence in Canada” New Document to its Studies Database

Increased awareness, an ageing population and higher disposable income are expected help adult incontinence register strong growth over the forecast period. The prevailing situation is anticipated to favour tissue and hygiene manufacturers to focus intensely on this growing category, which may result in strong innovation and stiff competition from international players to local manufacturers. The retail value and volume performance of adult incontinence over the forecast period is expected to be...
