

MaxVal is Exhibiting at the AIPLA Spring Meeting, Seattle, WA (May 15-17, 2018)

LOS ALTOS, CALIFORNIA, UNITED STATES, May 10, 2018

[/EINPresswire.com/](http://EINPresswire.com/) -- [MaxVal](#), a leading provider of IP management solutions based on Silicon Valley, will be exhibiting at the [AIPLA](#) 2018 Spring Meeting at Booth #1, on May 15-17, 2018 (The Westin Seattle in Seattle, WA).

The AIPLA (American Intellectual Property Law Association) meeting usually draws a varied group of over 600 IP professionals for its Spring meeting, to discuss and exchange views on best practices and issues in IP management,

as well as to keep up with latest developments and trends in the IP domain. The Association also hosts different networking events for the attendees to build professional and business connections.

In this event, MaxVal will be exhibiting its latest applications and solutions including [Symphony](#), an advanced Intellectual Assets Management platform trusted by SMBs and large corporations for its robustness and reliability in handling their complete IP lifecycle from invention capture, docketing to annuity management.

We hope that it is going to be a great opportunity to meet IP practitioners from law firms and corporations across different sectors, and learn about their challenges in managing intellectual assets.”

*D Bommi Bommannan,
Founder and CEO of MaxVal
Group*

Bommi Bommannan, Founder and CEO of MaxVal Group, said “We hope that it is going to be a great opportunity to meet IP practitioners from law firms and corporations across different sectors, and learn about their challenges in managing intellectual assets”.

If you are attending this event and would like to know how you can achieve data driven outcome optimization, contact bd@maxval.com to schedule a meeting with the MaxVal

team.
