LOS ALTOS, CALIFORNIA, UNITED STATES, May 17, 2018

/EINPresswire.com/ -- [MaxVal](#), a silicon valley-based IP management solutions firm, announced that it will be exhibiting at [INTA](#) 140th Annual meeting at Booth #418, to be held from May 19-23 at Washington State Convention Center, Seattle, WA.

INTA's (International Trademark Association) Annual Meeting is recognized as one of the premier events for the trademark industry which is expected to attract more than 10,000 attendees from around the world. Brand owners, in-house counsel, law firms, government officials, and other IP experts will gather in this 140th annual meeting to discuss and examine the key industry issues, challenges, and opportunities in the ever-growing IP landscape.

We believe that our easily configurable and customizable IP management solutions and services will be of interest to patent and trademark professionals.”

*D. Bommi Bommannan,
Founder and CEO of MaxVal
Group*

MaxVal, a preferred IP management partner for law firms and corporations across the world, will demonstrate some of their solutions including [Symphony](#) - an integrated IP management platform known for its robustness and reliability for handling the complete IP lifecycle from invention capture, docketing to annuity management.

“We look forward to engaging with the delegates from all over the world. We believe that our easily configurable and

customizable IP management solutions and services will be of interest to patent and trademark professionals as it can seamlessly integrate with their existing products and workflow,” said D. Bommi Bommannan, Founder and CEO of MaxVal Group.
