

Hip and Knee Orthopedic Surgical Implants Market by Key Players, Regional Segmentation and Forecasts, 2018 – 2021

PUNE, MAHARASHTRA, INDIA, May 18, 2018 /EINPresswire.com/ -- Global Hip and Knee Orthopedic Surgical Implants Industry

New Study on “2018-2021 Hip and Knee Orthopedic Surgical Implants Market Global Key Player, Demand, Growth, Opportunities and Analysis Forecast” added to Wise Guy Reports Database

Global Hip & Knee Orthopedic Surgical Implants market is projected to reach more than US\$ 12 Billion by 2021, at a CAGR of XX% from 2016 to 2021. The growing prevalence of symptomatic osteoarthritis and post-traumatic arthritis due to the growing aging segment of the population across the globe will continue to drive growth in the hip & knee orthopedic surgical implants market. Increasing life spans and lifestyles impact the number of individuals with joints subject to failure, thereby increasing demand for hip & knee replacement procedures. Additionally, the growing health awareness among masses, along with increase in the spending capacity of the population are propelling the market growth.

Hip & Knee Orthopedic Surgical Implants Market: Country-wise Outlook

United States is seen as the dominant player in the hip & knee orthopedic surgical implants market. International markets such as India, China and Japan will show positive growth in the future and market share will increase to XX% by the year 2021. The opportunity is immense in the emerging markets, as there is a large untapped population with hip and knee orthopedic surgical implants need.
