

# Nightshade Studios stands at the forefront of trend and grasp the opportunity to enter Cambodia

PHNOM PENH, CAMBODIA, May 30, 2018 /EINPresswire.com/ -- The Southeast Asia region lies in the strategic layout of the Belt and Road, and the real estate profits of Southeast Asian countries have continuously increased in recent years. In recent years, when it comes to overseas real estate investment, more and more investment experts give priority to Cambodia. This emerging country, known as the "Asian Tiger", has outstanding economic performance as a whole with increasing focus on real estate investment.

The Chief Operating Officer of Opulence Development, which is a subsidiary of Nightshade Studios stated: "Opulence Development has in-depth observations and investment in the Cambodian real estate market. Cambodia's real estate investment has been very attractive in the international community in recent years. In the past, Cambodia was like a forgotten country, but since the One Belt and One Road initiative and the rapid economic rise of ASEAN, these two forces props up the entire Cambodian economy, allowing Cambodia to soar as a new dazzling star! In 2018, it will be a crucial year for Cambodia, ASEAN. The further reduction of mutual tariffs between countries will lead to the progress of the ASEAN Economic Community, with the greatest benefit to Cambodia."

This year marks the 60th anniversary of the establishment of inseparable diplomatic relations between China and Cambodia. Nightshade Studios is leading this boom and has obtained a property development case in the capital of Cambodia, Phnom Penh. This development is located in the immediate vicinity of the Tonle Sap, a tributary of the Mekong River. It is only two kilometers from the Royal Palace of Cambodia and sits in the golden district of Phnom Penh. It has an excellent location and accessible transportation. It integrates business, culture and tourism. The international comprehensive development of the residence has attracted the attention of many investors and it is believed that it will become a new landmark in Phnom Penh in time to come.

Nightshade Studios has long been known for providing high-end services and the group also plans to bring these high-end services to all investment customers in the future. It is expected that Nightshade Studios will create a boom in Southeast Asia luxurious real estate.
