Palo Alto, CA – June 18, 2018 – The Radicati Group’s latest study, “Microsoft SharePoint Market Analysis, 2018-2022”

offers an in-depth detailed analysis of market adoption of Microsoft SharePoint. The report provides user installed base and four year growth forecasts broken out by version, region, business size and industry for Microsoft SharePoint Online, and Microsoft SharePoint Server.

Microsoft SharePoint’s breadth of functionality spans Enterprise Content Management (ECM), Enterprise Social Networking, Web Content Management, Business Intelligence and Enterprise Search, just to name a few.

Microsoft SharePoint is seeing strong adoption with customers worldwide. On-Premises deployments of SharePoint are rapidly declining as an increasing number of customers are opting for SharePoint Online, as part of Office 365.
