

Tenerife Tourism Board Announces November 2018 FAM to Tenerife, Canary Islands

Familiarization trip to the island of Tenerife is planned for November 2018.

NEEDHAM, MA, UNITED STATES, May 19, 2018 /EINPresswire.com/ -- Turismo de [Tenerife](#), the tourism board for the largest of the Spanish Canary Islands, Tenerife, has announced a familiarization trip to the island on November 2018.

"The FAM trip is a great opportunity for travel agents to become educated on the island of Tenerife, also known as the Island of Eternal Spring because of its year-round warm climate and 75-degree temperature," comments Cyril Lemaire, Managing Director of [Quest Travel Adventures](#). "The island is a unique destination full of activities, vibrancy, culture, and great food and wine," adds Lemaire.

Travel Agents who attend this trip will have the opportunity to participate in experiences such as hiking on the UNESCO World Heritage site Mt Teide Canarias National Park, sailing with dolphins and whales in the cliffs of La Gomera, strolling the famous streets of the UNESCO site La Laguna, or indulging in the flavors, colors and aromas of Spanish wines at a popular vineyard, Bodegas Monje.

"The hype around Tenerife, the largest of the Canary Islands, is that it's not your typical island destination," said Lemaire. With more 5-star hotels than Madrid and Barcelona and a plethora of activities, there is something for everyone, and we're excited let agents experience that first-hand," Lemaire adds.

The FAM, which will take part November 4-9, 2018, will allow participants to discover all Tenerife has to offer - including top resorts in Tenerife, such as the Hotel Botanico (www.hotelbotanico.com), rated the #1 spa in Europe by Conde Nast, unforgettable experiences, such as the Trip Advisor rated #1 zoo, Loro Parque, or #1 waterpark, Siam Park. In addition, participants will get to perform site visits of other new or newly renovated 4 and 5-star properties such as the Iberostar, Jardín Tropical, and Coral Resorts. Agents attending will come to find out why the 'Island of Eternal Spring' is a truly undiscovered paradise.

Iberia Express (<http://www.iberiaexpress.com/en>) is supporting the FAM by assisting with flights between Madrid and Tenerife. A limited number of spots are available.
