

Leading Document Management Software Company introduces the Artificial Intelligence

In line with the positive reviews VIA has enjoyed, our commitment is to keep delivering tools that will give each user the edge to dominate their market.

CARPI, ITALY, May 22, 2018

/EINPresswire.com/ -- LogicalDOC has been a foremost player in the [document management software](#) niche. The company which has a range of products that are doing well in the market have created a [virtual intelligence](#) tool that can read texts. This new concept was driven by the feedback they got from other line of products in the market. They built on their offerings, and it has evolved in this leading Natural Language Processor that works with [VIA](#).

The graphic features the LogicalDOC logo (an orange square with a white 'L' shape) and the text 'LogicalDOC DOCUMENT MANAGEMENT SYSTEM'. Below the logo is an illustration of a laptop with a white document tray containing blue folders. To the right, a dark grey arrow-shaped box contains contact information: Address: 14-25 Plaza Road | Suite N-3-5 Fair Lawn, NJ 07410 USA; Phone: +1 (800) 654 2827; Email: sales@logicaldoc.com; Website: www.logicaldoc.com. The word 'LogicalDOC' is written in a white sans-serif font at the bottom left of the graphic.

“

We think that we have created one of the finest document management software. Our unique concept of feeling the pulse of our customers and creating something that gives them lasting value is important”

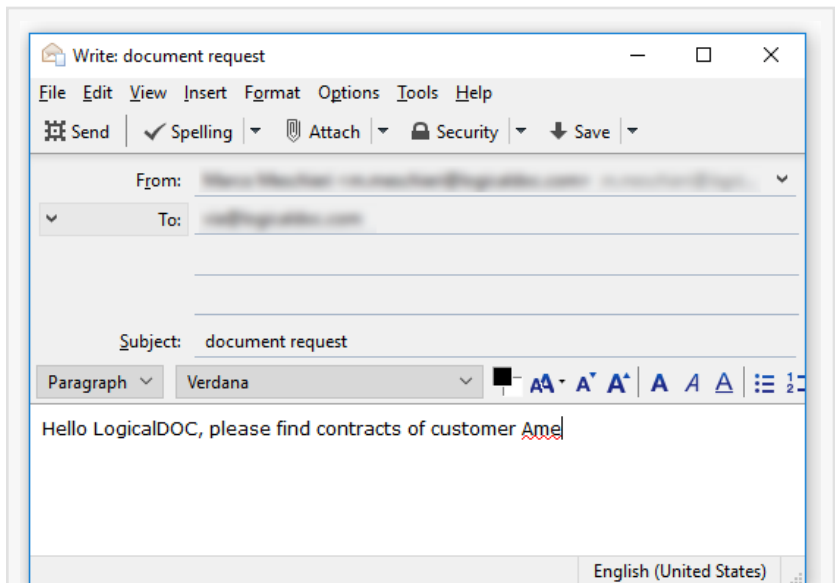

Marco Meschieri

VIA can answer queries in English language when you type in your request to get any document. It helps to sort and give a seamless operating system for businesses. With the introduction of NLP, it is easy to schedule mails, reply all correspondences and file all documents. Beyond the use of modern technology, one of the amazing things is the ease of use for those who are just coming on-board the use of LogicalDOC.

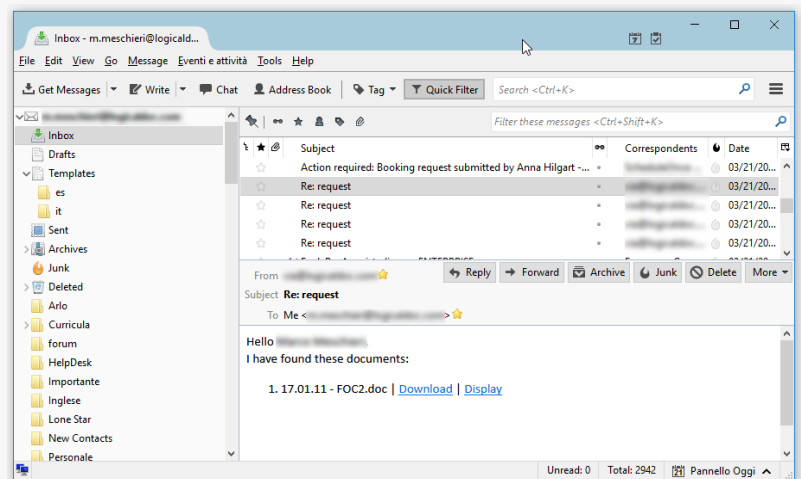

LogicalDOC has continued to build on their passionate pursuit of helping businesses enjoy push-button solutions. The company has invested huge sums in research and document; the idea is to remain a step ahead of the needs of their

clients. For more details about VIA, you can visit the company’s website.
