Flip'em the Bird, INC

Our company mission is to create fun, affordable tongue + cheek products that reflect an attitude and style of our radical times.

Our Vision: "Design product lines that become the "go-to" accessory for mixing personality and fashion, for all seasons."

Our founders Susie Moschkau + Natalie Buckman grew up in the northern suburbs of Minnesota and they know cold! Between the seemingly never-ending outside cold of the winter months and the frigid air-conditioning temps indoors (when there's finally some hot air outside!), the Flip 'em the Bird original glove idea was hatched. Because both have vast experience accessorizing, shopping and giving a little attitude, it was time to put their knowledge to good use and create fun and affordable accessories designed to express both fashion sense and attitude!

Flip 'em the bird has its headquarters in Champlin, Minnesota. Products are exclusively sold at www.flipemthebird.com, for more information or interview requests, please reach out to hello@flipemthebird.com.
