

People Value Consulting expands its presence in India and USA

People Value Consulting, a pioneer in manpower consulting, expands its presence in India and USA to meet the increasing demand for niche skills.

DALLAS, TX, USA, May 22, 2018 /EINPresswire.com/ -- Dallas (TX), May 17, 2018: People Value Consulting, a pioneer in manpower consulting, expands its presence in India and USA to meet the increasing demand for niche skills. The company has been into recruitment and staffing for more than a decade nurturing diversity hiring.

People value Consulting which lays an emphasis on raising the productivity of organizations by being able to source 'people' for various organizations, Industry verticals and adds "value" to them, has succeeded in its motive by generating value and impact business to its clients. With the increasing demand for talent in US and India, the company is spreading its territory by increasing the recruitment strength.

For a company that was founded by Mr. Aseem Dutt, CEO, to cater to the hiring needs of the organizations, has grown into a one-stop shop for all HR requirements for clients globally. The company is adding skills, resources, and tools necessary to bridge the skill gap in the industry. The company has grown into a highly successful executive and professional search firm. The key focus areas and skills attributing to the growth of the company include Software Testing, Development, Machine Learning, Big Data, Cloud, and Analytics. With the timely patronage received from all its stakeholders, they are also looking to expand in the areas of networking such as SDN (S/w defined networks).

Mr. Aseem Dutt

“

“I am very happy to see the organization grow, we are now equipped with talent pool and bench resources to better support our clients”.

Mr. Aseem Dutt

Speaking on the occasion Mr. Dutt said “I am very happy to see the organization grow, we are now equipped with talent pool and bench resources to better support our clients. We have a specialized team of recruiters with skills to complete sourcing to onboarding in half the time most of the firms do”.

People value consulting provides fast, quality and cost-effective, end-to-end manpower solutions for its clients. It has successfully helped many multinational and multicultural

organizations in sourcing talent across levels, functions, and geographies within strict timelines. Delivering niche mandates through headhunting and market intelligence, it has been able to leave its indelible marks in the landscape of consulting and recruiting.
