Eye Care Software & Business Services

Abyde
NEVER STRESS OVER HIPAA AGAIN

“Rev360 is constantly seeking partners that align with our mission of delivering profitability and joy to eye care practices,” said Dr. Brett Paepke, Director of ECP Services for Rev360. “Few would argue that HIPAA compliance is joyful, but virtually all eye care providers understand its importance. Abyde’s cloud-based architecture and tools make HIPAA processes as easy as possible allowing the doctor to focus on other aspects of the practice. It’s that easing of compliance burden that makes us thrilled to partner with Abyde.”

“

It’s that easing of compliance burden that makes us thrilled to partner with Abyde.

”

Dr. Brett Paepke, Director of ECP Services, Rev360

Launched in January of 2017, Abyde is a revolutionary, cloud-based software solution that enables eye care professionals to easily attain and sustain internal HIPAA compliance programs by walking them through the Risk Analysis, ongoing compliance, policy, procedure, and HIPAA training requirements. Abyde’s automated Risk Analysis also meets Meaningful Use, MACRA, and MIPS’s Protecting Electronic Health Information core measures.

“Abyde’s partnership with Rev360 is a true win for the eye care industry,” said Matt DiBlasi, President of Abyde. “It is our mission at Abyde to revolutionize HIPAA compliance so we are honored Rev360, a company with an impeccable reputation, has a desire to join us in our mission. We are eager for Rev360 customers to experience stress free HIPAA compliance through our partnership.”

About Abyde:

Abyde (Tampa, FL) is a technology company dedicated to revolutionizing HIPAA compliance for medical professionals. Launched in January 2017, Abyde was formed with the idea there could exist an easier, more cost-effective way for healthcare providers to comply with government-mandated HIPAA regulations.
