Important Note: Because Veterans get preferential treatment in the aerospace industry many aerospace workers with mesothelioma may have initially been exposed to asbestos in

the US Navy.

For an interesting website about the aviation history of Kansas please visit the following website: <https://wingsoverkansas.com/history/>.

The Kansas Mesothelioma Victims Center would like to emphasize theirs is a statewide initiative available to a diagnosed victim anywhere in Kansas including communities such as Wichita, Overland Park, Topeka, Olathe, and Lawrence.

For the best possible mesothelioma treatment options in Kansas the Kansas Mesothelioma Victims Center strongly recommends the following health care facility with the offer to help a diagnosed victim, or their family get to the right physicians at this hospital. Cancer Center of Kansas Wichita, Kansas:
