STAMFORD, CT, US, May 22, 2018
/EINPresswire.com/ -- Dear GSC Community,

Today, 40 years ago (22 May 1978) I signed the papers of incorporation of our school. Thus, today, 22 June 2018, is our 40th birthday.

Last Saturday, with the help of the administration, parent volunteers, teachers and students who created a time line, an exhibition of their school work as well as a GSC hymn, we pre-celebrated this birthday.

We had a lovely school event.

[The Consul General in New York](#) who could not be present last Saturday asked me to let everyone have his congratulation. I attach it.

I also attach an article on [the history of our school](#) that was written by a freelance journalist who has written about our school before.

I thank you all for your great and dedicated support of the school in the many years since its creation. I wish you a wonderful summer.

With kind regards,

Renate Ludanyi, Ph.D.

Nothing connects us to a country more than its language. Speaking German can help you strengthen that connection while enhancing travel, education and business horizons. Established in 1978, the German School of Connecticut (GSC) – the only professional German Saturday School in the state – provides a high-quality German educational program for over 350 children and adults. At GSC, students at all levels learn German language along with German, Austrian and Swiss cultures Saturday mornings during the academic year.
