

Trade Reform Clear, Brexit, ITAR, EAR, ECR, and more to be discussed at 13th annual Defence Exports Conference

SMI Reports: Expert government and industry speaker line up announced for the 13th annual Defence Exports conference

LONDON, UNITED KINGDOM, May 24, 2018 /EINPresswire.com/ -- The 13th annual Defence Exports conference returns to Rome on the 19th and 20th September, with the leading event for defence trade compliance set to explore the emerging issues and challenges facing the defence trade in 2018.

The two-day conference will focus on key topics such as: Trade Reform Clear, Brexit, ITAR, EAR, ECR, Dual-Use and the Wassenaar Arrangement, receiving strong support from international trade compliance professionals from around the world.

This year's chair has been confirmed as [Gary Stanley, President, Global Legal Services](#), who will be opening and closing the event, as well as leading one of the event's four interactive workshops: "Jurisdiction, Classification, and Licensing: How to Police your U.S. Suppliers".

Additional workshops include:

- "Managing export compliance with U.S. suppliers: Essential knowledge on license exceptions, U.S. re-export controls, and catch-all's"
- "New technology – A bed of roses or increased anxiety for today's export control practitioners"
- "UK MoD ASSC management – Exploiting best practice and information across UK defence"

[Featured government expert speakers](#) set to provide updates on regulatory developments include:

- Matthew Borman, Deputy Assistant Secretary for Export Administration, Department of Commerce
- Tracy Minnifield, Deputy Director, Licensing Directorate, Defense Technology Security Administration
- Chris Chew, Head of Policy, Export Control Joint Unit, UK Department for International Trade
- Mark Jones, Waterguard Programme ASSC Compliance Lead, UK Ministry of Defence
