“

I am honored to receive this Award on behalf of OPUS, more importantly on behalf of the amazing team of folks at OPUS who made this possible and the great team at SOPHOS who make partnering so easy.”

Richard Brown - Founder & President

“I am honored to receive this Award on behalf of OPUS, more importantly on behalf of the amazing team of folks at OPUS who made this possible and the great team at SOPHOS who make partnering so easy.” said Richard Brown, OPUS Consulting Group’s President and Co-founder.

“SOPHOS products are incomparable in the field and their comprehensive approach to security allows our team to help clients establish a solid security posture. It is not just me saying this, look at the press and awards they are receiving across the Industry, they are driving innovation in IT Security.”

“Winning this award for the second time, is a testament to the power of these Security products and, more importantly it displays how well the solution is received by the clients who have bought into the SOPHOS Solution, helping us to achieve the level of success which allowed us to be selected for this award. Finally, to all the Cyber Criminals out there, you need to start looking for a new career, maybe bagging groceries at your local super mart, SOPHOS has put a Bounty on your heads!”

Caralyn Stern, Senior Director, Americas and Global Channel Marketing at Sophos, said, “It is always a great pleasure to be able to meet our partners face to face at these events as they play a crucial role in our success as a business. It’s a fantastic opportunity to gather feedback, to hear our partners’ validation of our strategy across the endpoint and network and to see it helping to make their businesses a success. I am delighted OPUS Consulting Group has won the award for Sophos Partner of the Year for Canada. They have had another fantastic year and it’s very well deserved.”
