

Global Pitch Champion determined: Biowatch wins the largest online pitching contest

Swiss startup Biowatch, which brings all of your data onto a wearable, wins the global pitch championship & prevailed over 14 other startups in the finale.

VIENNA, VIENNA, AUSTRIA, May 28, 2018 /EINPresswire.com/ -- The Swiss startup Biowatch, which brings all of your data onto a single wearable, wins the global pitch championship and prevailed over 14 other international startups in the finale on May 22. The startup stood out from over 1,200 submissions from a total of 86 countries. The finale was broadcast live on Facebook and thrilled more than 5,500 viewers worldwide.

Vienna, May 2018 | The winner of Global Pitch, the world's largest online pitching competition for startups, has been determined: the Swiss startup Biowatch (www.biowatchid.com) prevailed in the finale of the Top 15 and was able to win over the jury, composed of 100 members, as well as around 70 international partners. More than 1,200 applications were received by DealMatrix, the Vienna-based organiser of Global Pitch. The startups and the jury

came were as international — coming from 86 countries — as the initiator of Global Pitch and CEO of DealMatrix Christoph Drescher could have hoped. “86 countries of origin, the international jury from 4 regions of the world — Europe, Asia, Latin and North America, and the Middle East and Africa — show that innovation is global and knows no borders,” said Drescher.

“

We would like to thank all of our partners, jury members and the submitting startups for this fantastic experience. And I can proudly announce: we're already excited for the next round of Global Pitch”

"The high standard of the participating startups was impressive — not only with respect to the high degree of internationality but also their pitching and presentation skills. Global Pitch was one of the best pitching competitions that I've ever experienced," says Tanja Sternbauer, jury member and managing partner of StartupLive.

"We would like to thank all of our partners, jury members and the submitting startups for this fantastic experience. And I can proudly announce: we're already excited for the next round of Global Pitch," announced Drescher.

Matteo Landi from UNIDO, one of the partners of Global Pitch, adds: "At UNIDO we promote entrepreneurship development as a mean of creating employment, foster innovation and economic growth, particularly for youth and women; being part of Global Pitch confirmed that there's a wealth of innovators, impact oriented entrepreneurs that are ready to implement world changing solutions. It was really impressive to have competitors from so many places, including sub-Saharan countries."
