Tropical St Barts Wedding for Spencer Matthews and model Vogue Williams

NEW YORK, UNITED STATES, May 29, 2018 /EINPresswire.com/ -- British socialite Spencer Matthews and Irish model Vogue Williams are expecting their first child this September but are also planning a tropical wedding in sunny St Barts at the end of this year. The couple is reportedly flying a jumbo jet of close friends and family out to St Barts to join them in celebrating their special day later this year. The Eden Rock hotel is owned by David and Jane Matthews, Spencer Matthews parents and the hotel is currently been rebuilt just in time for the wedding later this year after it was battered by hurricane Irma in 2017. The hotel has officially announced a reopening date of 22nd December 2018 and will be more beautiful than ever before.

Guests visiting the island will be delighted with all the things to do and see on the island and which may be found on [The Ultimate St Barts Travel Guide](#).

The newly refurbished hotel will have remodeled suites, more private pools, enlarged rooms, super-duper Sand Bar with a brand new kitchen, bigger and better boutique, a novel library, lovely gardens and much more.
