

Illinois Mesothelioma Victims Center Now Urges Public Utility Workers with Mesothelioma in Illinois to Not Take a Big Bucks Settlement for Granted and To Call Them for a Lawyer Upgrade for Better Compensation

NEW YORK, NEW YORK, USA, June 11, 2018 /EINPresswire.com/ -- The Illinois Mesothelioma Victims Center says, "We are urging a person with mesothelioma who had exposure to asbestos at a public utility, water/sewer district, or any type of power generating facility in Illinois to call us anytime at 800-714-0303 to make certain they get a lawyer upgrade to pursue a mesothelioma compensation claim. Please do not take the 'big bucks' advertising baloney on the Internet or cable TV seriously.

"While the best possible mesothelioma compensation might be deserved, a person with this rare cancer or their family will need to retain the services of one of the nation's most skilled and experienced mesothelioma attorneys to earn a top financial settlement result for their clients.

Furthermore, please do not fall for Internet ads

that suggest 'no lawsuit needed,' or that 'mesothelioma compensation is a result of submitting a claim form.' These suggestions are total nonsense as we would like to explain at 800-714-0303."

“

Please call us at 800-714-0303 so at a minimum you can compare the qualifications of the attorneys we suggest to any other law firm in the nation”

Illinois Mesothelioma Victims Center

The types of Public Utility Workers in Illinois the Illinois Mesothelioma Victims Center would like to assist include: Plumbers, Pipefitters, Welders, Electricians, Heavy Equipment Operators, Linemen, Gas Pipeline Workers, Gas Meter Installers:

If the Illinois Mesothelioma Victims Center had one vital tip for

a person with mesothelioma in Illinois because of exposure to asbestos at a public utility it would be, "Please call us at 800-714-0303 so at a minimum you can compare the qualifications of the attorneys we suggest to any other law firm in the nation."

For information about public utility districts in Illinois please review the following very informative website:

<https://www.icc.illinois.gov/utility/Certified.aspx>

For the best possible mesothelioma treatment options in Illinois the Illinois Mesothelioma Victims Center strongly recommends the following health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at each hospital:

* The University of Chicago Medicine Chicago, Illinois: <http://cancer.uchicago.edu/>

* Edward Hospital Multi-Disciplinary Thoracic Oncology Clinic Naperville, Illinois: <http://www.edward.org/thoraciconcology>

* Robert H. Lurie Comprehensive Cancer Center Chicago, Illinois: <http://www.cancer.northwestern.edu/>

The Illinois Mesothelioma Victims Center wants to emphasize theirs is a statewide initiative available to any diagnosed victim in Illinois including communities such as Chicago, Rochelle, Springfield, Champaign, Peoria, or Bloomington. <http://Illinois.MesotheliomaVictimsCenter.Com>

High risk work groups for exposure to asbestos in Illinois include Veterans of the US Navy, power plant workers, oil refinery workers, steel mill workers, manufacturing or factory workers, plumbers, electricians, auto mechanics, welders, pipefitters, machinists, public utility workers, and construction workers. Typically the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's.
