

Revcon2018 Returns to Las Vegas for The Year's Hottest Debt Relief and Financial Services Convention

Revcon2018 Returns to Las Vegas for Unprecedented Event

NEW YORK, NEW YORK, USA, May 30, 2018 /EINPresswire.com/ -- Revolution 2018 Debt Relief and Financial Services Convention (Revcon2018) is returning to the Red Rock Resort, Spa and Casino in Las Vegas NV from September 16-18, 2018. The convention boasts panels of regulators, creditors, collection agencies and business leaders bringing fresh insights, strategies and synergies into this re-emerging industry. With 32 Showcase companies displaying their latest innovations, prominent level speakers from Fintech, Technology, venture capital, investors and business icons, this event is certain to forge a new path forward for the future of the industry.

This changes everything.

“Our time is NOW.” Says Matthew Hearn, an industry leader and strategic advisor in the space. “This industry has certainly seen its share of enforcement action, and in many cases, rightly so. This time around needs to be different. With the emergence of fresh players in the space and the consumer debt passing the trillion-dollar mark, the industry is once again poised for explosive growth. The challenge now is whether we can navigate this new paradigm successfully. You can’t perceive a new future with old eyes. We need a new, fresh perspective to advance and succeed. Compliance is more important than ever, but solid leadership

“

We're changing everything in this industry and creating our future. Revcon2018 will be the catalyst.”

Matthew Hearn

and innovations are critical to avoid repeating the past. We need to work together and operate with absolute excellence moving forward. I believe Revolution will be the catalyst to powerful change and create the fundamental paradigm shift necessary to truly establish this industry. We are already seeing the synergies unfold from last year's Revcon2017 event and that will only intensify from here.”

Coined Revcon2018, this event is certainly positioned to shake things up in this re-emerging industry. Business owners from around the country, and from all angles of this industry, will be in attendance to join the movement and participate in the reinvention of this industry. Leaders and innovators from debt settlement, debt management, tax resolution, student debt, bankruptcy, credit repair, fintech and lending will unite under one banner to create powerful changes in the field. With every vertical and angle of debt relief being represented and synergizing, there is no doubt that this event will truly

change the industry as we know it. Regulators from the CFPB and FTC have been invited to participate in the industry's first ever town hall event and will be joined by the industry's leading legal and compliance minds.

The event also boasts high level thought leaders bringing critical information and messages that are sure to transform everyone in attendance. The first night will kick off with powerhouse speakers and conclude with a live 2-hour performance by Las Vegas's hottest 80's band, sponsored by Veritas Legal Plan. Revcon2017 was revolutionary in starting the much-needed change, but Revcon2018 is poised to be even "Bigger, Harder, Faster and Stronger". It is definitely slated to be the "Can't Miss" event of 2018 for anyone involved in this arena.
